

MANUFACTURING AMERICAN PRIDE

As the industry leader in golf cart lift kits and accessories, All Sports sets the standard for the innovation and fabrication of the highest quality aftermarket products.

We specialize in custom fabrication, and tailor our products to fit the most popular brands of carts. In addition to stainless steel, diamond plate and brushed aluminum finishes, we will custom powder coat any product — including lift kits — with our in-house powder coating system to meet your color specifications.

ELEVATING THE STANDARD OF EXCELLENCE

When you purchase any product from All Sports, you deal directly with the manufacturer. We're so confident in the quality of our products that we offer a 100% Buy Back Guarantee, along with next day or same day shipping.

WE LOVE OUR DEALERS

At All Sports, our primary goal is to be your Golf Cart Lift Kit & Accessories Distributor, not your competition. We want to help you grow your business, keep your stores stocked, and provide you with the products your customers want. Excellent customer service will not be compromised! When you call us during business hours, a live person will always answer the phone, not a machine. Our staff is here to offer you personalized, high-quality service! Have a question and don't see the answer here? Give us a call at (866) 291-5244 and one of our representatives will be happy to assist you!

We look forward to doing business with you!

-ALL SPORTS MANUFACTURING, INC.

SHIPPING

Most in-stock items are shipped same or next day of order placement. Check UPS Delivery Times & Charges, or Fed Ex maps. Free Shipping applies only to orders of \$2,500 or more and only includes the continental United States.

PRICING

Due to the large amount of products we carry, some prices may not be up to date. In the event of a price/photo change, we reserve the right to correct any error.

RETURNS

For assistance with a return, please call one of our representatives. All returns must be accompanied by an RMA#. Do not throw away any of the original packaging, even if it is damaged.

Address all packages to:
3361 Copter Rd.
Pensacola, FL 32514

LIFT KITS

CLUB CAR® LIFT KITS

From our 3" A-Arm to the massive 11" Ultra, the largest production kit available, our Club Car® lift kits are a must for any golf cart accessory distributor. They offer flexibility and greater clearance, and feature easy bolt-on installation — no cutting or welding required! Best of all, they're American-made and Club Car® approved.
